

LOCAL WORKFORCE INVESTMENT AREA TASK TEAM

Monday, April 10, 2006

8:00 a.m.

*Department of Labor & Training
Conference Room - Building 69-1*

Problem Statement:

To foster cooperation and efficiencies in the Local Workforce Investment System, and to thereby; eliminate administrative and programmatic redundancies in order to maximize the services directly benefiting the public.

Expectation

That the principals of the Local Workforce Boards will explore options for possible cooperation whereby efficiencies will be introduced that will directly benefit the public.
